Dear Parents and Carers

Congestion on Ratby Road

We hope that you have all had a lovely summer break. Welcome back to the start of term at the Brookvale Groby Learning Campus.

As you will be aware, we are a large and busy campus with 1600 students on site across Brookvale and Groby. As a result, there is a lot of traffic along Ratby Road as parents and carers drop off their sons and daughters for school each day and pick them up at 3.10pm.

If you do transport your child to the campus, please can we ask you to drop them off away from the school entrance so that they have just a short walk onto the site. Not only will the walk help them with their daily activity, but most importantly it will stagger the traffic outside the campus, making it safer for everyone.

We are extremely concerned that dropping students off directly outside the campus significantly heightens the risk of an accident for one or more of our young people; something we are desperate to avoid.

Thank you so much for supporting us with this matter.

Yours sincerely

Katie Rush
Headteacher
Brookvale High School

Robert Coles
Headteacher
Groby Community College
